Mission:
Celebrates and raises awareness of the natural assets of the Pikes Peak Region

Objectives:
The Pikes Peak Heritage Series convenes groups around important aspects of the Pikes Peak Region's history, current condition, and future prospects. Follow up on each topic may include continuing dialogue, publishing and sharing resources, and periodic reconvening of key stakeholders.

Past Heritage Session Topics:
- Mountains Matter to Millennials—September 8, 2016
- Our Natural Economy: Capitalizing on Colorado Springs' Unique Place in the West—April 12-13, 2017
- TOPS 20th Anniversary—July 26, 2017
- Pikes Peak Forest Health Symposium—October 20, 2017
- Economic Benefits of Park Systems in Colorado Springs—January 12, 2017
