

**This training focuses on key competencies needed to increase strategic leadership skills and impact in our communities, by learning how to move an idea into action.**

LeadershipPlenty is designed to inspire and equip individuals from all walks of life to become effective community leaders. By embracing new ways of thinking and acting, this program helps participants recognize the abundant leadership potential within their communities. It emphasizes the importance of diverse perspectives, collaboration, and continuous learning to solve community problems. Through nine comprehensive modules, participants develop crucial skills in group dynamics, conflict management, partnership building, and project implementation. Ultimately, LeadershipPlenty empowers people to move from discussion to action, fostering inclusive and innovative solutions for a better community. Join us and be part of the change!

**The nine modules include:**

- Finding Leaders Within
- Identifying Community Assets
- Managing Groups for Results
- Making Meetings Work Better
- Managing Conflict
- Building Strategic Partnerships
- Moving From Talk to Action
- Valuing Evaluation
- Communicating for Change
