

Penrose House Food & Catering Guidelines

- **No On-Site Catering:** Penrose House does not provide food or catering services.
- **Outside Food Allowed:** Organizations may bring in food or use outside caterers under these conditions:
 - All food must be **commercially prepared** (no homemade items or potlucks).
 - Organizations/caterers must supply all **plates, trays, bowls, and utensils** (Penrose House does not provide these).
- **Delivery Options:** Any commercial vendor (e.g., DoorDash, Grubhub) may deliver, provided **no heating devices** are set up on site.
- **Pickup Allowed:** Organizations may pick up food and bring it in themselves.
- **Heating Restrictions:**
 - If food requires **on-site heating**, you must use an **Authorized Caterer** from our list.
 - If no heating is needed, you may choose **any caterer**.
- **No On-Site Equipment:** Penrose House does not offer refrigeration or heating (including microwaves). Plan accordingly.
- **Fire Code Compliance:** Not all rooms allow heating devices (including sternos). If planning a hot meal, notify us so we can reserve a dining room if needed.
